Health and Safety Key Performance Indicators (KPI's)

Part D

Annual Review

Part A

Introduction

This policy statement complements and should be read in conjunction with The Central Cooperative Learning Trust (CCLT) Health and Safety Policy and Management Arrangements. It records the local organisation and arrangements for implementing the CCLT policy.

Part B

Policy Statement

The requirement to provide a safe and healthy working environment for all employees is acknowledged and the School Governing Body/those in control of the school recognise and take responsibility for compliance with the statutory duties under the Health and Safety at Work etc. Act 1974.

The Governing Body will ensure so far as is reasonably practicable that:

- All places and premises where staff and pupils are required to work and engage in school activities are maintained in a condition (safe, warm and weather proof) which is safe and without risk to health. (This includes the health and safety of persons on the premises or taking part in educational activities elsewhere.)
- All plant and equipment is safe to use and that arrangements exist for the safe use, handling and storage of articles and substances at work.
- Appropriate safe systems of work exist and are maintained.
- Sufficient information, instruction, training and supervision is available and provided to ensure that staff and pupils can avoid hazards and contribute in a positive manner towards their own health and safety and others.
- A healthy working environment is maintained including adequate welfare facilities.

In addition to the above the school will ensure that so far as is reasonably practicable that the health and safety of other non-employees is not adversely affected by its activities.

Employee involvement is an important part of managing safety, and consultation on health and safety with employees and employee representatives' forms part of this policy.

This policy statement and the accompanying organisational arrangements supersede any previously issued.

Lucy Turner, Head Teacher	Alison Lockley, Chair of Governors
October 2026	October 2027

Part C

Management Arrangements

The following procedures and arrangements have been established within our school to eliminate or reduce health and safety risks to an acceptable level and to comply with minimum legal requirements:

Competent Health and Safety Advice

The school obtains competent health and safety advice from:	Staffordshire County Council's (SCC) Health, Safety and Wellbeing Service
The contact details are:	Tel – 01785 35777 Email – shss@staffordshire.gov.uk

In an emergency we contact the out of hours team on: 01785 35777 to be directed to the officer on call.

Monitoring Health and Safety

Person responsible for the overall monitoring of health and safety in school:	Name: Lucy Turner
Our arrangements for the monitoring of health and safety are: • Reports to the Local Governing Board • Regular site meetings • Agenda item at staff meetings • Discussions with Wider/Senior Leadership Teams • Liaison with the Trust Operations Team	
The school carries out formal evaluations and audits on the management of health and safety.	
The last audit took place:	**Date: November 2022**
Name of person responsible for monitoring the implementation of health and safety policies:	Lucy Turner Sam Laud
All staff are aware of the key performance indicators in part E and how they are monitored	
Workplace inspections carried out:	**Name of person who carries these out**:
Visual site inspection (daily) *Whole Premises (weekly)* *Outside Play Equipment (weekly)* *Fire Alarm Tests (weekly)* *Emergency lighting tests (monthly)* *Water temperature checks (monthly)* *Gutter and Grid Checks (monthly)* *Fire Drills (termly)*	David Whitehall David Whitehall David Whitehall David Whitehall David Whitehall David Whitehall David Whitehall/Glenn Frost Lucy Turner

Window Checks (daily)	David Whitehall
	External Contractors
Emergency lighting (6 mth and annually)	*Midland Fire*
Fire alarm (6 monthly)	*Midland Fire*
Fire Extinguishers (annual)	*Midland Fire*
Intruder alarm (6 monthly)	*Chubb*
Fixed Electrical (5 yearly)	*Woodwards*
PAT testing (24 months)	*Calbarrie*
Boiler Servicing (annual)	*PHS Plumbing and Heating Services*
Water Testing (monthly)	*Franks Portlock*
Gas Testing (annually)	*Sime*
Air Conditioning (6 monthly)	*Envtec*
Automatic Barriers & Shutters (annually)	*Woodwards*
Lightning Conductor (annually)	*PTSG*
PE Equipment (annually)	*Sportsafe*

Detailed Health and Safety Arrangements

The following procedures and arrangements have been established within our school to eliminate or reduce health and safety risks to an acceptable level and to comply with minimum legal requirements.

1. Accident Reporting, Recording & Investigation

Our arrangements for recording and investigating: All accidents in school are recorded and reported, where appropriate, under RIDDOR. Accidents are investigated in school with support from the Trust Operations Team.
Accident records for children are located: School office
Adult accidents (including staff and visitors) are recorded: Using the HSE Official Accident Book and these are reported using the My Health and Safety portal and the record is put in their personnel file.
Lucy Turner **should be notified of any serious accident for pupils and all adult injuries.**
More serious accidents are reported to the LA via the online form at:

https://staffordshirecc.info-exchange.staffs.uk
Vicki Edkins/Abigail Cunnington will report to the Local Authority (LA) as well as carrying out an investigation into the accident, involving any relevant staff as necessary.
The person responsible for reporting accidents to the Health and Safety Executive (under RIDDOR) is: Lucy Turner
Our arrangements for reporting to the Governing Body or Academy Board are: Headteacher report to Governing Body and via CCLT Operations Team to The Board of Trustees.
Our arrangements for reviewing accidents and identifying trends are: termly reviews by the Head Teacher and annual H&S reports

2. Allergy Management

Name of Designated Allergy Lead:	Vicki Edkins
The Trust's Allergy Management Policy has been adopted by the school and can be found:	On the Trust's website under 'Key Info' and 'Trust Policies'

3. Asbestos

Name of Premises Manager responsible for Managing Asbestos:	Lucy Turner
Location of the Asbestos Register and Asbestos Management Plan:	N/A – No asbestos on site. Letter confirming this in front office
Our arrangements to ensure contractors have information about asbestos risk prior to starting any work on the premises are: • N/A	

4. Communication

Name of SLT member who is responsible for communicating with staff on health and safety matters:	Lucy Turner Sam Laud
Our arrangements for communicating about health and safety matters with all staff are: • Staff emails & meetings • H&S notice board • Notices around the school	
Staff can make suggestions for health and safety improvements by talking to Lucy Turner/Sam Laud/David Whitehall.	

5. Construction Work (also see Contractor Management section 6)

Our arrangements for managing construction projects within the scope of the Construction Design and Management Regulations are:

- Contractors are selected ensuring that they have the appropriate insurance and are competent.
- Exchange of health and safety information/risk assessment, etc. is carried out prior to works commencing.
- A named person co-coordinating any construction work/acting as client for any construction project will be identified
- Duty holders (key holder) will be identified and named as part of any Construction project.
- If work is taking place during school holidays, the site staff should report any issues Lucy Turner/David Whitehall/Glenn Frost/Sam Laud (depending on availability). Where work has been commissioned by the Trust the contact will be the Operations Team.

• A review of work is undertaken by the nominated person from the school.
Our arrangements for the exchange of health and safety information / risk assessments/safe working arrangements/monitoring are monitored by: Sam Laud/Glenn Frost
Our arrangements for the induction of contractors are: • Contractors are selected ensuring that they have the appropriate insurance and are competent. • Exchange of health and safety information/risk assessment, etc. is carried out prior to works commencing
Staff should report concerns about contractors to: • Lucy Turner/Glenn Frost
We will review any construction activities on the site by: • Regular review by the Trust site staff and contractor during works; post completion by Trust site staff; Glenn Frost with the contractor.

6. Consultation

Name of SLT member who is responsible for consulting with staff on health and safety matters:	Lucy Turner
The name of the Trade Union Health and Safety Representative is:	
Our arrangements for consulting with staff on health and safety matters are: • Emails and Meetings	

• Notice board in staff room • INSET day content • Feedback is encouraged from stakeholders
Staff can raise issues of concern by: • Contacting the nominated H&S staff member (Lucy Turner/Sam Laud) in school. The details of which are available on the H&S notice board.

7. Contractor Management

Name of person responsible for managing and monitoring contractor activity	Lucy Turner/Glenn Frost/David Whitehall
Our arrangements for selecting competent contractors are: • Contractors are selected ensuring that they have the appropriate insurance and are competent. • Where appropriate references are sought for new contractors prior to appointment.	
Our arrangements for the exchange of health and safety information / risk assessments/safe working arrangements/monitoring are: • Exchange of health and safety information/risk assessment, etc. is carried out prior to works commencing • If work is taking place during school holidays, the site staff should report any issues Lucy Turner/David Whitehall/Glenn Frost (depending on availability). Where work has been commissioned by the Trust the contact will be the Operations Team	
Staff should report concerns about contractors to:	

- Lucy Turner/David Whitehall
- The Trust Operations Team

8. Curriculum Areas – Health and Safety

Name of person who has overall responsibility for the curriculum areas is:	Lucy Turner

- Should an activity not fall within the remit of an existing risk assessment, then staff are required to carry out or request for a risk assessment to be undertaken prior to the activity taking place.
- Teaching staff must undertake suitable (written) risk assessments prior to commencing hazardous activities, or when using specific equipment for curriculum purposes e.g. Cooking or Science equipment.
- Specification of staff qualification requirements to teach certain activities, refer to any health and safety publications adopted by the school which staff must be familiar with e.g. "Safety in PE".

9. Display Screen Equipment use (including PC's, laptops and tablets)

The school assesses the risk of the use of computers/laptops by carrying out a DSE assessment for staff using this type of equipment continuously and regularly for over an hour.

Our arrangements for carrying out DSE assessments are:

- A Display Screen Equipment (DSE) self-assessment is carried out for staff

using computers/laptops continuously and regularly for over an hour. • Users are given information on the use of their work stations. • Users are reminded of their training and encouraged to report any problems or defects relating to their work station affecting their health at the time of periodic risk assessment or assessment following workstation change. • Eye tests and glasses specially required for DSE users can be re-claimed by the employee or given a voucher if requested, in line with legislation.	
Name of person who has responsibility for carrying out Display Screen Equipment Assessments:	Lucy Turner
DSE assessments are recorded and any control measures required to reduce risk are managed by:	Lucy Turner/Sam Laud

10. Early Years Foundation Stage (EYFS)

Name of person who has overall responsibility for EYFS:	Lucy Turner

Our arrangements for the safe management of EYFS are:

- To ensure safe ratios of staffing to children.
- To be vigilant in assessing any H&S potentials for injury or harm.
- We carry our daily checks on the internal and external learning areas of school plus equipment used.
- Risk assessments have been carried out and are communicated with all staff where foreseeable risks are identified and managed.
- Risk assessment control measures are put in place and have been assessed based on the risk and the benefit.
- Staff are to receive paediatric training when working in the EYFS classrooms.

11. Educational visits / Off-Site Activities

Name of person who has overall responsibility for Educational Visits:	Lucy Turner
The Educational Visits Coordinator is:	Vicki Edkins

Our arrangements for the safe management of educational visits:

- Such activities are taken in accordance with the LA guidelines and the school's policy.
- The Headteacher approves any off site activity.
- The Headteacher must be notified regarding any hazardous visits and those involving water safety.
- Emergency arrangements must be considered and staff mobile phone number and parental contact numbers made available to the duty teacher.
- Parental authorisation must be obtained (when appropriate) for any visit off school site.
- Supervision ratios must comply with current guidelines and all adults on visits must have an enhanced DBS.
- A paediatric first aid qualified member of school staff should go on all visits.
- First aid equipment to be taken on a visit.
- The group leader must have full details of any health issues or allergies within the group.

12. Electrical Equipment [fixed & portable]

Name of person responsible for arranging Fixed Electrical Wiring Tests and taking	CCLT Operations Team (fixed)

any remedial action required:	
• Fixed electrics are tested every five years by an approved contractor. • Records are maintained and equipment labelled.	
Fixed electrical wiring test records are located:	On Every Compliance https://www.every.education/
All staff visually inspect electrical equipment before use.	
Our arrangements for bringing personal electrical items onto the school site are: • Domestic/personal equipment is not allowed in school unless this has been PAT tested or proof of receipt to show the date purchased is within two years	
Lettings: • As per the conditions of use policy for external lettings, the hire does not include the use of any equipment except where specifically agreed. If the Hirer wishes to use their own electrical equipment, then this should be tested under the requirements for PAT testing or proof of receipt to show the date purchased is within two years and checked for any defects prior to use. The use of electrical equipment is noted on the Hazard Exchange Information for Lettings form where necessary.	
Name of person responsible for arranging the testing of portable electrical equipment (PAT):	Lucy Turner
Name of person responsible for defining the frequency of portable electrical equipment (PAT) testing:	CCLT Operations Team
Portable electrical equipment (PAT) testing records are located:	On Every Compliance https://www.every.education/
Staff must take defective electrical equipment out of use and report to:	Lucy Turner
The portable electrical equipment on the school site owned and used by contractors is the responsibility of the contractor, who must provide records of	

this if requested.

13. Fire Precautions & Procedures [and other emergencies incl. bomb threats]

Name of competent person responsible for undertaking & reviewing fire risk assessment in addition to any associated action planning (this person must undertake Fire Risk Assessor Training):	Lucy Turner/Sam Laud
The Fire Risk Assessment is located:	Risk Assessment shared Google drive
When the fire alarm is raised the person responsible for calling the fire service is	Automated via Repton Security
Name of person responsible for arranging and recording of fire drills	Lucy Turner
Name of person responsible for creating and reviewing Fire Evacuation arrangements	Sam Laud
Our Fire Evacuation Arrangements are published in each room and can be found:	Throughout school
Our Fire Marshals are:	Lucy Turner/Vicki Edkins/David Whitehall/Abi Cunnington
Results of the testing and maintenance of fire equipment and installations are recorded in a Fire Log Book located:	School office
Name of person responsible for training staff in fire procedures	Lucy Turner
All staff must be aware of the Fire Procedures in school during their induction, at the start of the academic year, after any changes are made and throughout the year during staff meetings and drills.	

14. First Aid *see also Medication

Name of person responsible for carrying	Lucy Turner

out the First Aid Assessment	
The First Aid Needs Assessment can be found:	Shared Google drive
First Aiders are sufficient in number	22 members of staff – Combined First Aid (Paediatric First Aid and First Aid at Work)
Name of person responsible for arranging and monitoring First Aid Training:	Lucy Turner
Location of First Aid Boxes:	School office and in each classroom
Name of person(s) responsible for checking & restocking first aid boxes:	Lisa Hallows – Officer Manager
In an emergency staff are aware of how to summon an ambulance.	
Our arrangements for dealing with an injured or unwell person who has to go to hospital are to contact ambulance, contact parents or emergency contacts:	
Pupils	• All injured pupils should be referred to a first aider for assessment. • A record of sick and injured pupils attended to will be kept in the accident book. • If the sick or injured pupils are not able to get to a first aider, a first aider should be called to the pupil. • In the event of a child attending hospital the Headteacher is to ensure an appropriate member of staff accompanies the child if the child's parents/carers are unable to be contacted/attend.
Staff	• Injured staff should be referred

	to a first aider for assessment. • The accident needs to be reported to Vicki Edkins/Abigail Cunnington (who will report the incident to Staffordshire County Council Health and Safety team). • In the event of a member of staff needing hospital treatment their emergency contact will be informed and they will be accompanied to hospital by an appropriate member of staff/emergency contact.
Visitors	• Injured visitors should be referred to a first aider for assessment. • The accident needs to be reported to Vicki Edkins/Abigail Cunnington (who will report the incident to Staffordshire County Council Health and Safety team). • In the event of a visitor needing hospital treatment their emergency contact will be informed and if necessary they will be accompanied to hospital by an appropriate

	member of staff or their emergency contact.

Our arrangements for recording the use of First Aid are:

- See above for location of first aid boxes.
- Accident reporting sheets are maintained and stored in the school office.
- When required, Lisa Hallows or any other member of staff managing the accident will summon an ambulance. The Headteacher or senior teacher on duty will be informed.
- Training and refresher training for first aiders is organised by Lucy Turner and records maintained and kept in the school office.

15. Forest School

Name of person in school who leads on Forest School activity:	Lorraine McCandless

Our arrangements for developing, organising and running Forest School activity. Include here any details with regard to risk assessment, communication and supervision etc.

- The risk assessments are located on the Forest School shared Google drive.
- Only qualified members of staff are allowed to conduct Forest School activities.

16. Glass & Glazing

All glass in doors and side panels are constructed of safety glass
All replacement glass is of safety standard

Where a school is deemed to not have had a glazing survey, the Trust are aware and will plan for this accordingly.

17. Hazardous Substances (COSHH)

Name of person responsible for carrying out risk assessment for hazardous substances (COSHH Assessments)	Lucy Turner/Sam Laud
Our arrangements for managing hazardous substances (selection, storage, risk assessment, risk control etc.) are: • A hazardous substances risk assessment is available along with the data safety sheets in the COSHH folders which can be found in the main school office, in the cleaning cupboard and on the staff shared drive. • Data safety sheets for cleaning materials are located in the cleaning cupboard. • The cleaning cupboards and site staff store rooms are kept locked for safety purposes. • The site staff and cleaners undertake training for dealing with hazardous substances. • Hazardous substances are discussed at the induction and [NAMED PERSON ABOVE] is to ensure that data safety sheets are provided prior to the substance being used on site.	

18. Health and Safety Law Poster

The Health and Safety at Work poster is located:	On the health and safety board in the staffroom.

19. Housekeeping, cleaning & waste disposal

All staff and pupils share the responsibility for keeping the school site clean, tidy and free from hazards.

Our waste management arrangements are:

- Bins are emptied every day by the cleaning staff.
- External bins have signage to denote the type of waste for each bin.
- Food waste is to be separated by staff, pupils and kitchen staff in clear bags and this is put into a separate food waste bin.
- Catering staff are aware of the correct bin for disposal of waste.
- External bins are emptied by a licensed refuse collection company on a weekly basis.
- Bins are kept away from the main school building in a dedicated space and are secured.
- PHS removes bodily fluid; sanitary items and sharps.
- Site staff are responsible for ensuring that large waste items are removed from school and disposed of in the appropriate bin.
- When required skips are hired from a licensed provider and monitored whilst on site by the site staff..

Our site housekeeping arrangements are:

- The school employs in house cleaners who are responsible for keeping the school clean.
- Deep cleaning is undertaken during the Easter and summer school holidays.
- Deep cleaning in the kitchen is undertaken by the catering company (Mellors) on a termly basis.
- A grit plan is in place.

The cleaning supervisor is:	Lucy Turner

Cleaning staff have received appropriate information, instruction and training about the following and are competent:

• Site staff and cleaners are given relevant training in dealing with equipment and hazardous substances (COSHH) on an annual basis. • New staff are inducted by the cleaning supervisor. • New site staff undertake training as part of their induction e.g. safe use of ladders. • Data safety sheets are in the cleaning cupboard and office. • Cleaning cupboards are kept locked at all times.
Waste bins are kept at least 5 metres away from the school building and are kept in a locked area. **Waste skips are occasionally used and are kept at least 6 metres away from the school building. These must be placed in an area that can be locked when the school is closed.**
All staff and pupils must be aware of the arrangements for disposing of waste and the location of waste bins and skips.
Staff in all Depts. who generate waste (e.g. catering/cleaning/curriculum areas) must be aware of the risk assessments and control measures in place for their role.

20. Infection Control

Name of person responsible for managing infection control:	Lucy Turner
Our infection control arrangements (including communicable diseases/hand hygiene standards) are: • Staff inform the headteacher of any suspected communicable disease immediately. • The headteacher will advise if any actions should be taken after checking the guidance on communicable diseases and with the Health & Safety Team if necessary.	

• Deep cleaning takes place in the event of serious infections based on guidance from Public Health England. • At risk groups are informed (e.g. vulnerable children and staff, pregnant women). • Communication e.g. letters; newsletters; emails; text messages or telephone calls.

21. Lettings

Name of Premises Manager or member of Leadership team responsible for lettings:	Lucy Turner
Our arrangements for managing Lettings of the school/rooms or external premises are: • Please refer to Premises Hire policy on our website.	
The health and safety considerations for Lettings are considered and reviewed annually.	
Hirers have in place their own risk assessments, first aid arrangements/ fire procedures and emergency procedures.	
Hirers are responsible for obtaining the necessary local authority licenses for their activities and these must be provided to the school on request.	
Hirers must provide a register of those present during a letting upon request.	

22. Lone Working

Our arrangements for managing lone working are:

- A lone working risk assessment has been carried out.
- The CCLT Lone Working Policy has been communicated with all staff.
- Vulnerable individuals are not to lone work unless this has been risk assessed and has been agreed by the Headteacher.
- Lone working procedures for check ins and communication are in place and monitored.
- All staff have received training on safe lone working practices.

23. Maintenance / Inspection of Equipment (including selection of equipment)

NOTE Types of equipment to consider in this section:

- *Ladders and steps*
- *Fume cupboards*
- *Other extraction systems*
- *PE equipment*
- *D&T machines*
- *Lifts & lifting equipment*
- *Pressure cookers*
- *Autoclaves*
- *Fire alarm and smoke detection*
- *Emergency lighting*
- *Fire extinguishers.*

*This section **must include** the arrangements for school/academy kitchens, science laboratories or Design and Technology rooms.*

Name of person responsible for the selection, maintenance / inspection and testing of equipment:	David Whitehall
Records of maintenance and inspection of	School office; all compliance records

equipment are retained and are located:	are kept on Every Compliance.
Staff report any broken or defective equipment to:	David Whitehall/Lucy Turner

- An SLA is in place for the inspection, examination and testing of all services and equipment by contractors, i.e. PE equipment, boilers, water, fire alarm, fire extinguishers, emergency lighting, air conditioning, intruder alarm, automatic barriers and roller shutters, fixed electrical and portable electrical appliances.
- Records are retained and stored as detailed above.
- Site staff test the fire call points, emergency lighting, ladders and external play equipment and record these in the relevant log books and on Every.
- Defective equipment is taken out of service and reported to site staff for repair / disposal, accordingly.

The equipment on the school site owned and used by contractors is the responsibility of the contractor, who must provide records of testing , inspection and maintenance if requested.

24. Manual Handling

Name of competent person responsible for carrying out manual handling risk assessments:	Sam Laud

Our arrangements for managing manual handling activities are:

- A risk assessment has been carried out for general manual handling and for individual tasks if deemed necessary.
- Staff receive information on manual handling during their induction.
- Pupils are not permitted to lift heavy items.
- Trolleys are provided for site staff to manoeuvre large/heavy items.

Staff must be aware of the requirement to avoid hazardous manual handling and carry out risk assessment where the task cannot be avoided.
Staff who carry out manual handling must be aware of the manual handling risk assessment and the control measures in place for the task.
Staff are trained appropriately to carry out manual handling activities.
Where people handling takes place an Individual Manual Handling Plan must be in place and communicated to all parties (including where appropriate the young person/their parents/carers/support staff).

25. Medication

Name of person responsible for the management of and administration of medication to pupils in school:	Lisa Hallows
Our arrangements for the administration of medicines to pupils are: • Further information around the administration of medicines to pupils can be found in the Health and Wellbeing Policies document. • Parental requests for medication to be administered should be completed on the agreed form and taken to the office. • Only prescribed medication can be administered to pupils with consent in place from the parent/carer. • Medication should be kept in the medical fridge which is locked. • Medication that is kept in school for health care plans must be checked regularly to ensure it is in date. • Staff record when medication has been administered and the form is countersigned. • Parents are permitted to administer medication to their child themselves on site.	
The members of staff who are authorised to give / support pupils with medication are:	First Aiders and trained staff e.g. epipens

Medication is stored:	School office
A record of the administration of medication is located:	School office
Staff are trained to administer complex medication by the school nursing service or hospital staff when required.	
Our arrangements for administering emergency medication (e.g. Asthma inhalers/Epi pen) are: • Annual training given to staff in teaching, office, dinner supervision, before/after school care.	
Staff who are taking medication must keep this personal medication in a secure area in a staff only location.	
Staff must advise the school leaders if they are taking any medication which might impair their ability to carry out their normal work.	

26. Personal Protective Equipment (PPE) (links to Risk Assessment)

PPE is provided free of charge where a risk assessment identifies this is needed to control a risk and the risk cannot be controlled by another means.	
Name(s) of the person responsible for selecting suitable personal protective equipment (PPE) for school staff:	Lucy Turner
Name of person responsible for the checking and maintenance of personal protective equipment provided for staff:	Lucy Turner
PPE provided for use in curriculum lessons is not "personal" as it is provided by pupils in classroom situations.	
Name(s) of person responsible for selecting suitable personal protective equipment (PPE) for pupils:	Lucy Turner
All PPE provided for use in a classroom environment is kept clean, free from defects and replaced as necessary.	
Name(s) of person responsible for cleaning and checking pupil PPE:	Lucy Turner

27. Protective Preparedness

Person responsible for Protective Preparedness plans and actions:	Lucy Turner

Our arrangements for Protective Preparedness are:

- We have a Protective Preparedness Policy in place and this is communicated with all staff.
- There are full and partial lockdown plans in place.
- We will communicate any drills or real life events with parents as necessary.
- Pupils are supported to understand the plans that we have put in place and the importance of keeping the school safe from any harm.
- Our policy and plans will only be communicated in school and staff are aware of the importance of confidentiality regarding these documents.

28. Reporting Hazards or Defects

All staff and pupils must report any hazards; defects or dangerous situations they see at school.

Our arrangements for the reporting of hazards and defects:

- All hazards should be reported to Lucy Turner/David Whitehall
- Interim measures to be taken pending rectification if approved by Lucy Turner/Glenn Frost.

29. Risk Assessments

The school has risk assessments in place for any foreseeable significant risks

that have been identified. Control measures which are put in place to eliminate or reduce risk are communicated to staff, pupils and others who may be exposed to the risk.
Risk assessments are in place for the following areas: • Premises and grounds • Curriculum / classrooms • Hazardous activities or events • Lettings or contract work which may affect staff or pupils in the school • Fire Risk Assessment • Hazardous Substances • Work Equipment • Manual handling activities • Team stress • Risks related to individuals e.g. health issues

Name of person who has overall responsibility for the school risk assessment process and any associated action planning:	Sam Laud/Lucy Turner

Our arrangements for carrying out, recording, communicating and reviewing risk assessments are: • Risk assessments are in place for any identified and foreseeable significant risk. Control measures are put in place to eliminate or reduce such risks. • New risk assessments are carried out when something new is introduced or a change has occurred. • Risk assessments may be carried out post accident if highlighted during the investigation process. • Risk assessments are communicated to staff, pupils and others who may be exposed to the risk. Copies of risk assessments can be found on the shared Risk Assessment Google drive

• Risk assessments are periodically reviewed by Sam Laud/Lucy Turner.
Appropriate training is provided for staff who are creating, reviewing or implementing risk assessments.
When an accident or incident occurs a post risk assessment takes place when a new hazard has been identified.
Risk assessments are created or reviewed when something new is introduced or a change has occurred.

30. Smoking

No smoking or vaping is permitted on site or in vehicles owned or operated by the school.

31. Shared use of premises/shared workplace

Name of Premises Manager or member of Leadership team responsible for Premises Management:	Lucy Turner
The school premises are shared with another organisation (e.g. contract caterer/public leisure centre):	Mellors Catering Brereton Library – part of same building but not shared workplace
Our arrangements for managing health and safety in a shared workplace are: • Mellors catering undertakes a risk assessment for the premises. • Mellors catering communicates the risk assessment to their staff. • Mellors catering has access to risk assessments within school by contacting the school office.	

32. Stress and Staff Well-being

Name of person who has overall responsibility for the health and wellbeing of school/academy staff:	Lucy Turner
All staff have responsibility to take care of their own health and wellbeing and the school supports staff to do this by implementing the following arrangements: • Staff have access to a support service for their well-being and are encouraged to use the service. • A staff well-being questionnaire is undertaken. • All staff have responsibility to take care of their own health and wellbeing and should seek support where necessary.	
Solutions to stress hazards and suggestions on how to minimise stress have been identified, discussed and communicated.	
All staff have an opportunity to contribute to discussions, meetings and initiatives around wellbeing issues at work.	
Individual stress risk assessments take place when a member of staff requires additional individual support.	
A team stress risk assessment is completed involving all staff and reviewed regularly.	

33. Training and Development

Name of person who has overall responsibility for the training and development of staff:	Lucy Turner
All new staff receive an induction which includes health and safety, fire procedures, first aid and emergency procedures.	
Our arrangements for carrying out suitable and sufficient health and safety	

training for all staff are: • New staff/students/volunteers are provided with an induction to make them familiar with the general Health & Safety procedures in school. • The CCLT induction checklist is used and those who have specific responsibilities are briefed further for activities related to their role. • All staff and governors undertake the Level 1 Safeguarding training every three years and are also given other relevant training where necessary.
The Trust has a health and safety training matrix to help schools in the planning of essential and development training for staff.
Training records are retained by Lucy Turner

Training and competency as a result of training is monitored and measured by:	**Line Managers across school**

34. Vehicles owned or operated by the school/academy
